

Event organized by **Business Review 15 Years** EXCELLENCE IN BUSINESS PUBLISHING

FIRST BUSINESS CONFERENCE DEBATING THE NEWLY PUBLISHED INSOLVENCY CODE

LEGAL UPDATES NEW INSOLVENCY CODE

OCTOBER 16TH, 2013
PULLMAN HOTEL, NEW YORK HALL

Conference

The most important provisions in the new insolvency code will be up for debate during a new Business Review event:

- Decoding the new insolvency framework
- An overview of the major changes in the New Insolvency Code that impact the business environment.
- The introduction of threshold value for receivables from which the debtor may open the insolvency procedure
- Updates regarding the voting mechanism in the reorganization plan
- Provisions preventing abusive practices in the New Insolvency Code

Workshops

The event will also feature a series of tailored workshops that address complex legislative updates.

- Mergers & Acquisitions - Selling a company through a competitive procedure (silent auction): structure, advantages, disadvantages
- Novelties brought by the New Code of Civil Procedure with regard to enforcement through garnishment

The award criteria according to the new public procurement EU directives under debates at the Council of Europe

- M&A - Corporate, competition and social implications
- Updates on the Insolvency Code
